

SHEET OF SAFETY

SECTION I: MATERIAL IDENTIFICATION

Tradename

ENDORHIZA®

Description

Biological inoculant

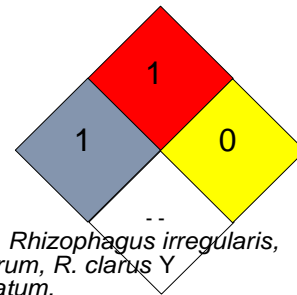

Supplier

Bioquirama

Phone: 4-5628439

Rionegro, Antioquia

Colombia

SECTION II: INGREDIENTS

Biological characterization

Arbuscular mycorrhizae: *Rhizophagus irregularis*,
R. aggregatus, *R. proliferum*, *R. clarus* Y
Claroideoglossum etunicatum.

Hazard of components

No component is dangerous

SECTION III: PHYSICAL DATA

Pure or prepared substance

Ready

Physical form

Dust

Colour

Green

Odor

Smell of earth

Boiling point

Undetermined

Vapor pressure (mm Hg)

Not applicable

Specific gravity

0.95 g / cm³

Vapor density Water

Not applicable

solubility

Soluble

SECTION IV: FIRE AND EXPLOSION HAZARDS

Ignition point:

Not applicable

Autoignition temperature:

Not combustible

Inflammability

Not determined

Hazardous combustion products

They are not combustible

Extinguishing materials

Water, dry chemical

SECTION V: HEALTH RISKS

General considerations:

Mycorrhizae are biological inoculants for agricultural use, natural inhabitants of the soil. Despite being innocuous, the use of protective measures is recommended.

Effects of overexposure

None expected

Chronic effects Potential

None expected

health effects

None expected

Carcinogenicity

The ingredients in this product are not on the NTP, OSHA lists as a carcinogen

SECTION VI: EMERGENCY AND FIRST AID MEASURES

Inhalation
Skin contact

If inhaled, move the person to a ventilated place. If not breathing give artificial respiration. If breathing is difficult give oxygen. Call a doctor.

Eyes

Slight irritation: Immediately wash skin with cold water. Remove used clothing.

Ingestion

Possible eye irritation. Wash the eyes for 15 minutes.

Do not induce vomiting. Call a doctor.

SECTION VII: REACTIVITY INFORMATION

Stability

Stable under normal storage and handling conditions.

Dangerous decomposition
Conditions to avoid
Hazardous polymerization

Does not apply

None known

Will not happen

SECTION VIII: SPILL PROCEDURES

general
Specific

Take all additional actions necessary to prevent and remedy the adverse effects of the spill. The product must be prevented from entering bodies of water. In case of spillage, collect material immediately. Clean residual material from surface with tow or cloth. Do not put waste down the drains

SECTION IX: SPECIAL PROTECTION INFORMATION

Respiratory protection
Protection gloves Eye
protection

During handling it is recommended to use a respirator filter for biological products.

Wear protective gloves.

Wear protective goggles.

Protective clothing
Other protective equipment

Wear long-sleeved shirts, long pants, boots, or shoes

SECTION X: SPECIAL PRECAUTIONS

Storage and handling

Avoid contact with the skin and eyes. Wash your hands before eating, drinking, chewing gum, smoking, or using the bathroom. Remove contaminated clothing and wash before use. Store in the original container in a cool, dry place. Do not store near food. Prevent exposure to moisture. Do not store the product above 15 ° C for long periods of time. Keep the containers completely closed when the product is not being used.

SECTION XI: TOXICOLOGICAL INFORMATION

The active ingredient is non-toxic, non-allergenic and non-pathogenic to mammals. Pre-existing medical conditions should not be aggravated by exposure to the product.

SECTION XII: ECOLOGICAL INFORMATION

Ecotoxicity

No toxicity has been shown in fish

Environmental aspects

Do not apply directly to water or water sources.

SECTION XIII: DISPOSAL CONSIDERATIONS

The waste resulting from this product can be used for composting. The disposal of empty containers must be carried out by the local authority, for which it is recommended to wash them and store them in a properly identified container or plastic bag.

SECTION XIV: TRANSPORTATION INFORMATION

DESCRIPTION OF DOT HAZARDS:

DOT Hazards Class / Division	NA
Packing group	NA
Packing instructions	NA

IMO CLASSIFICATION

Identification number	NA
Packing group	NA
Packing notes	NA

**XV: REGULATORY
INFORMATION**

Risk category
Reportable ingredients

NA
Not subject to reports

XVI: OTHER INFORMATION

**The Bioquirama company is not responsible for the consequences of improper use
of the product.**
